Camp Safety: Safety is always a concern, no matter where we are located. We have a security guard that will be on hand Monday-Thursday as well, we have a 16-camera surveillance system and daytime car patrol by the WSPD. We are all located across the WSPD training facility, which operates 24-hours.

Camper Interviews: Daily we want to make sure that campers are connecting to their peers and to their Counselors! As we did last year, each day we will interview your camper to make sure that they are having an amazing experience. Please look at the attached interview sheet. Campers are interviewed by Counselors & Jr Counselors at the end of the day.
